August 2015's Designer Spotlight: Peg Christensen from Ash Pierce Design

Peg Christensen is the Founder and Principal of Ash Pierce Design, bringing to her clients over 15 years of experience in both residential and commercial projects throughout the Portland-Metro area. Her full service design firm manages the entire process from initial design concept to complete build-out, or can contribute just specifics such as custom furnishings, color consultation, or space planning. Recent projects include a custom 'Glamper', multi-room home facelift, and extensive master bath remodels. Clients frequently comment on Peg's listening skills and her careful attention to detail no matter how large or small the design project. See Peg's work on Houzz.
